1. The applications at pp 1 to 53/CF, from the clerks in various Forest offices, take by way of appeal against the method of recruitment to the Post of II Gde Accountant prescribed in the C & R Rules, 1957, published in Notification No: GAD(DH) 15 GRR 57, dt 4.2.58. The post of II Gde Accountant carries a Pay Scale of Rs. 75-180. The method of recruitment prescribed for the post is as follows:—

i) 66⅔ % of the vacancies to be filled by direct recruitment; and

ii) 33⅓ % by promotion from the cadre of II Div. clerks on the basis of seniority-cum-merit.

2. For direct recruitment a pass in Intermediate, Pre-University or an equivalent examination is essential.

3. The applicants (clerks II Div) who are allotees from Bombay State, contend that the said Recruitment rules alter to their disadvantage the conditions of service and are opposed to Sec. 115 of S. R. Act, 1956.

4. The request of the applicant is to defer the enforcement of the Recruitment rule till the all the clerks, having the protection under Act. 115 of SR act are promoted as II Gde Accountants. The applicants also request that Govt.

27. With ref. to G.O. dtd. 8-10-58 the C.C.F. recommends that to amend the rules of recruitment indicating the method of recruitment of the posts of 2nd Grade Accountants now incorporated in the Mysore Forest Subl. Service (Recruitment) Rules, 1958 vide Govt. Notfn. No. FAD (OM)-15-GAR-57, dt. 4-2-1958 for the reasons given in the letter.

is indicated that 66% of the vacancies to be filled up by direct recruitment and 33% by promotion from the cadre of 2nd Div. Clerks on the basis of seniority cum merit.

It is stated that apart from the legal issues involved from the administrative point of view direct appointments of raw hands to handle responsible work of Dept. Accountants is most undesirable and will be unfair to have the inferior lights and inexperienced lights of candidates. Whereas the existing clerks having the departmental experience for some years will be more suiting to the nature of work involved.

Some concrete examples have also been given to prove that the ~~tabl~~ personnel so promoted from time to time have done the best of work such as revision of Manual etc.

By direct recruitment of II nd grade Accountants the regular promotion of clerks will be shelved and thus enthusiasm of showing competency will be gradually lost. There will be remote future promotions to this cadre of the Form. Dept. and hence recruitment to this cadre will be difficult in due course of time.

Serial No.

31 In the circumstances we may withdraw this condition regulating the method of recruitment to the posts of 2nd Grade Accts. specified in the Recruitment Rules 1958 by introducing an amendment as recommended by the C.C.F. in consultation with the G.A.D. (O.M.). Sec.

33 According to the Cadre & Recruitment Rules of the Forest Department published under Government Notification No.GAD (OM) 15 GRR 57 dated 4.2.1958 the method of recruitment to the cadre of Accountants II Gr. is as follows:

1) 66⅔% of the vacancies to be filled by direct recruitment, and

2) 33⅓% by promotion from the cadre of Second Division Clerks on the basis of seniority-cum-merit.

34 The Clerks working in the Forest Department in Belgaum Circle have represented against the provision in the Recruitment Rules under which 66⅔% of the vacancies are filled by direct recruitment in the cadre of Second Grade Accountants. According to their contention this method of recruitment affects their conditions of service adversely and is therefore against the provisions of Section 115 of the State Reorganisation Act. The C.C.F. apparently upholds this view of the clerks and feels that it would be better to avoid embarassment to Government in the Court if the issues were to be referred to the Court.

He, therefore, suggests that the rules of recruitment may be amended so as to withdraw the method of direct recruitment to the cadre of Second Grade Accountants. In doing so the C.C.F. is of the definite opinion that the Department would not suffer, that on the contrary it will be in a more advantageous position in having as Second Division Accountants only Clerks who have put in a good number of years of service in various capacities in the Department.

35) It would not be correct to amend the recruitment rules immediately after the promulgation in February 1958. But since the legal point is raised that the rule might contravene the provisions of Section 115 of the State Reorganisation Act, it would be better if the Rules are amended suitably so as to bring them also in conformity with the provisions of the State Reorganisation Act. It is, therefore, suggested that these papers may be referred to the Law Department with a request to advise if the contentions of the Clerks that the provisions of the recruitment rules as mentioned above contravene the provisions of the S.R.Act and if so, to indicate the extent to which the contentions of the Clerks of the Forest Department is correct. If the Law Department holds that the contentions of the clerks is correct and therefore advices that the rules may be suitably amended, the proposal of the C.C.F. to withdraw the method of direct recruitment to the cadre of Second Grade Accountants may have to be accepted, which may be done in consultation with the O.M. Section in G.A.D. and also the P.S.C.

52 Attention is invited to the paragraphs 33 to 35 supra. The Law Department holds that the contention of the Clerks in the Forest Department in Belgaum Circle that the method of direct recruitment to the posts of Accountants Grade II affects their conditions of service adversely and is therefore against the provisions of Section 115 of theState Reorganisation Act isutenable. According to the Law Department provisions relating to the methods of recruitment are not a condition of service to which the proviso to Section 115(7) of the States Reorganisation Act applies. The Law Department also holds that promotion is made according to the rules applicable to a Government servant when the chance of promotion comes and he has no right to ~~calim~~ claim promotion according to the rules applicable to him immediately prior to 1-11-1956. While forwarding the representation of the Clerks of the Belgaum Circle the CCF also observed in his letter of ~~th~~ 5th December 1958 (Page 71) that apart from the legal issues involved, administratively, it appears unsuitable to make such direct appointments to key posts of Accountants by recruiting raw and inexperienced boys with only the qualification of Intermediate or pre-university examination, notwithstanding the deplorably low educational standards now prevailing in the Universities. He was also of the definite opinion that it took about 10-15 years for an average clerk to become an Accountant in which capacity, he handles important compilations including cash account and timber account, while a direct recruit with no better educational qualifications and without experience cannot manage such compilations. He also ~~apprended~~ apprehends that there is bound to be complete dislocation of work if there was ~~direct~~ direct recruitment on the scales prescribed under the

Serial No.

Cadre and Recruitment Rules. The CCF therefore proposed that the Cadre and Recruitment Rules may be amended withdrawing the direct recruitment to the Accountants Grade II even on ~~the~~ administrative grounds.

53 The points raised in the representation of the Clerks ~~of the Forest Department in Belgaum Circle~~ are two aspects viz., (1) Legal and (2) Administrative.

54 As regards the legal aspects the Law Department has held that their contention is not tenable, in view of which amendments to the Cadre and Recruitment Rules on the grounds that the existing rules might invite legal complications is not waranted.

55 As regards the administrative aspects, there is some force in the ~~what the CCF has stated and if the~~ morale of the ministerial service as a whole is required to be maintained and the administration is required to be toned up amendment to the existing Cadre and Recruitment Rules seems to be necessary. In view of this position it is for consideration whether the Cadre and Recruitment Rules of the Forest Department, so far as they ~~relate to the method of direct recruitment~~ to the cadre of Accountants Grade II should be amended so as to keep all the posts of Accountants II Grade open for being filled up by promotion from amongst the IInd Dn. Clerks on the basis of seniority-cum-merit.

GAD(O&M) will have no objection for the proposed amendment by providing for cent percent promotion from II Dn. Clerks to II Dn. Accountants, provided they possess accounts qualification of at least an elementary nature which will be required for the work connected with the Forest accounts etc. 60

From the protests recorded in the correspondence by the CCF, it would appear as if this rule 61

in the Cadre & Recruitment Rules was laid down without consulting him. Actually, as far as I remember, all C & R Rules of the various Departments were drawn ~~by~~ only in full consultation with the concerned Heads of Depts or their representative and the administrative Department. Apart from this, the protests of the officials against the direct recruitment of II Grade Accountants, which are in a heap sent with the file, would justify an **amendment** so that they may not be deprived of chances of promotion. No doubt, purely from the legalistic point of view Govt is not bound to amend the rule of direct recruitment, as opined by the Law Dept.

62 As the amendments to the C & R rules are generally issued by the administrative Department, they may amend the rules suitably.

According to the Mysore Forest Department Services (Recruitment) Rules, 1957 the method of recruitment to the posts of II Grade Accountants is as follows:-

i) 66 2/3% of the vacancies to be filled by direct recruitment of candidates who have passed Intermediate, Pre-University or equivalent Examinations.

ii) 33 1/3% by promotion from the cadre of II Division Clerks on the basis of seniority-cum-merit.

The clerks of Forest Department allotted to the Mysore State under States Reorganisation Act from the erstwhile State of Bombay have represented that the provision of direct recruitment to the post of II grade Accountant affect their service conditions adversely and is therefore against the provisions of Sec.115 of the States Reorganisation Act. In the erstwhile Bombay State direct recruitment to the ministerial services, was restricted only to the lower cadre of clerks and all further promotions were made on the basis of seniority-cum-merit of such persons who have passed the Departmental Examinations. The Chief Conservator of Forests in Mysore, Bangalore has pointed out that administratively it may be unsuitable to make direct appointments to the key posts of Accountants by recruiting raw and inexperienced candidates with ~~only~~ the qualification of Intermediate and Pre-University Exams. not with-standing the deplorably low educational standards now prevailing in the Universities. It is pointed out that it takes about 10 - 15 years for an average clerk to become an accountant in which capacity he handles important compilations including cash account and Timber account. A direct recruit with no better qualifications and without

any experience cannot manage such compilations. If there is direct recruitment on the scale prescribed viz., 66 2/3% there is bound to be complete dislocation of work on one hand and very great discontentant on the other hand in the ranks of clerks with the result that the efficiency and morale of ministerial services as a whole would receive a great set back.

3 After carefully considering the question it has been proposed to make allowance to fill 50% of the posts of II grade Accountants by promotion from the cadre of II Division Clerks on the basis of seniority-cum-merit. The Public Service Commission has been consulted in the matter and they have agreed to the above proposal.

4 Now it is proposed to amend the cadre and Recruitment Rules of the Forest Department accordingly.

5. The point for consideration is to make allowance to fill 50% of the vacancies of the II Grade Accountant in the Forest Department by promotion from the cadre of II Division Clerks on the basis of Seniority-cum-merit.

NOTE

The Mysore Forest Department Services (Recruitment) Rules, 1957 published under Notification No. GAD(OM) 15 GRR 57, dated the 4th February 1958, prescribes the method of recruitment to the posts of "Accountants II Grade" which is as follows:-

i) 66⅔% of the vacancies to be filled by direct recruitment of persons who have passed Intermediate, Pre-University or the Equivalent Exam, and

ii) 33⅓% by promotion from the cadre of II Division Clerks on the basis of seniority-cum-merit.

The clerks of the Forest Department allotted under State Reorganisation Act from erstwhile Bombay State have represented that the provision of the direct recruitment to the posts of II Grade Accountants affects their service conditions adversely and is therefore against the provisions of Sec. 115 of the S.R. A. & F. DEPTT. CO-OPERATION BRANCH

Humble application of Shri. Nagesh Kuppa Shetti Palasali
Clerk, office of the Deputy Conservator of Forests
Kanara Western Division, Karwar.

Sir,

Ref:- Mysore Forest Department Services (Recruitment) Rules 1957, published under Government Order No. GAD(OM)15 GRR 57 dated 4th Feburary 1958.

In connection with direct recruitment to the grade of II Grade Accountants prescribed in Rule 8 of the said recruitment rules, I submit the following few lines for favour of immediate consideration of Government.

2. The said rule prescribed 66.2/3 % of the vacancies in the grade of II grade accountants to be filled up by direct recruitment and also prescribes minimum educational qualification as pass in Intermediate, Preuniversity or an equivalent examination. Only 33.1/3 % of the vacancies are allowed to be filled up by promotion of clerks from the second Division. In this respect, I have to state humbly that such enforcement of direct recruitment in the higher grade alters my conditions of service, which are safe guarded by the provisions of Section 115 of the States Reorganisation Act of 1956 as discussed in the following paragraphs.

3. I was recruited to the Bombay Subordinate service under the Bombay Civil Services Classification and Recruitment rules of 1939, in the year in this Department. At the time of my entry in service, the conditions of service and prospects prescribed for the subordinate Ministerial Service were as under:-

(i) Subordinate Forest Service included ministerial Branch viz. Clerks. Vide appendix B of the Said Rules.

(ii) Minimum educational qualification prescribed for the subordinate ministerial service was matriculation. vide Rule 141 in Appendix D.

4. The following rules were prescribed for recruitment to the higher grades in ministerial service. Vide Rule 49 of the Bombay Forest Manual Volume I.

The ministerial branch included the following posts.

(i) Head Clerks.. Group I.
(ii) Senior & Junior Accountants.. Group II.
(iii) Senior & Junior Clerks .. Group III.

Promotion from one grade to another was given to those clerks recruited in the initial grade were found efficient. No direct recruitment was prescribed to the above mentioned posts. Thus the cent percent posts in the higher grades used to be filled up by promotion of the clerks found efficient and no other conditions to qualify for promotion except the passing of departmental examination were prescribed.

42/3

5. Though I was recruited under the provisions of Bombay Civil Services recruitment Rules of 1930, when the Constitution of India was adopted, my conditions of services were not altered to my disadvantage and the members of the ministerial subordinate service continued to enjoy the same prospects in service even after the commencement of the Constitution of India as per Article 314 of the Constitution of India.

6. Now, I believe that under the provisions of Section 115 of the States Reorganisation Act of 1956, the conditions of service as referred to in para 4 cannot be altered to my disadvantage except with the prior approval of Central Government. The Central Government have already communicated their decisions in respect of service matters as contained in letter No. 8/6/57-SR(S) dated 27th March 1957 of the Government of India which was published under Government S.O. No. SRDI-1 (proc 57 dated 11th May 1957. The enforcement of direct recruitment to the II grade Accountants is a new condition which acts to my disadvantage by delaying my promotion to the II grade Accountants and allowing the supercession by the direct recruits to all the next higher grades for which recruitment is by promotion.

7. As discussed in the preceeding paragraphs, I humbly request the Government not to enforce the said direct recruitment till myself and similar memebers of my grade who have the same protection are promoted to the grade of second grade Accountants. Such grant of request will ensure fair and equittable treatment to all persons affected by the States Reorganisation Act, as required by Section 115(5)(b) of the said Act. As per this sub section, my representation may kindly be considered and I may be favoured with an early reply before commencement of the said direct recruitment. If POSTPONEMENT of direct recruitment to the grade of Second Grade Accountants is not possible I may be permitted to assume the permission of Government to seek legal redress in the Court of Law purely in the interest of my legitimate claims to pay and prospects in service.

Karwar,

Though I was recruited under the provisions of Bombay Civil Services recruitment Rules of 1938, when the Constitution of India was adopted, my conditions of services were not altered to my disadvantage and the members of the ministerial subordinate service continued to enjoy the same prospects in service even after the commencement of the Constitution of India as per Article 314 of the Constitution of India.

6. Now, I believe that under the provisions of Section 115 of the States Reorganisation Act of 1956, the conditions of service as referred to in para 4 cannot be altered to my disadvantage except with the prior approval of Central Government. The Central Government have already communicated their decisions in respect of service matters as contained in letter NO. 5/6/57-SR(S) dated 27th March 1957 of the Government of India which was published under Government S.O.No. SRDI-1 Aprch 57 dated 11th May 1957. The enforcement of direct recruitment to the II grade Accountants is a new condition which acts to my disadvantage by delaying my promotion to the II grade Accountants and allowing the supercession by the direct recruits to all the next higher grades for which recruitment is by promotion.

7. As discussed in the preceeding paragraphs, I humbly request the Government not to enforce the said direct recruitment till myself and similar memebers of my grade who have the same protection are promoted to the grade of second grade Accountants. Such grant of request will ensure fair and equittable treatment to all persons affected by the States Reorganisation Act, as required by Section 115(5)(b) of the said Act. As per this sub section, my representation may kindly be considered and I may be favoured with an early reply before commencement of the said direct recruitment. IN POSTPONEMENT of direct recruitment to the grade of Second Grade Accountants is not possible I may be permitted to assume the permission of Government to seek legal redress in the Court of Law purely in the interest of my legitimate claims to pay and prospects in service.

Humble application of Shri. B. V. Shetty
Clerk, office of the Deputy Conservator of Forests
Kanara Western Division, Karwar.

MYSORE GOVT. NO. 15 SEP A.&F. DEPTT.

Sir,

Ref:- Mysore Forest Department Services (Recruitment) Rules 1957, published under Government Order No. GAD(OM)15 GRR 57 dated 4th Feburary 1958.

In connection with direct recruitment to the grade of II Grade Accountants prescribed in Rule 8 of the said recruitment rules, I submit the following few lines for favour of immediate consideration of Government.

2. The said rule prescribed 66.2/3 % of the vacancies in the grade of II grade accountants to be filled up by direct recruitment and also prescribes minimum educational qualification as pass in Intermediate, Preuniversity or an equivalent examination. Only 33.1/3 % of the vacancies are allowed to be filled up by promotion of clerks from the second Division. In this respect, I have to state humbly that such enforcement of direct recruitment in the higher grade alters my conditions of service, which are safe guarded by the provisions of Section 115 of the States Reorganisation Act of 1956 as discussed in the following paragraphs.

3. I was recruited to the Bombay Subordinate service under the Bombay Civil Services Classification and Recruitment rules of 1939, in the year 1943 in this Department. At the time of my entry in service, the conditions of service and prospects prescribed for the subordinate Ministerial Service were as under:-

(i) Subordinate Forest Service included ministerial Branch viz. Clerks. Vide appendix B of the Said Rules.

(ii) Minimum educational qualification prescribed for the subordinate ministerial service was matriculation. vide Rule 141 in Appendix D.

4. The following rules were prescribed for recruitment to the higher grades in ministerial service. Vide Rule 49 of the Bombay Forest Manual Volume I.

The ministerial branch included the following posts.

(i) Head Clerks.. Group I.
(ii) Senior & Junior Accountants.. Group II.
(iii) Senior & Junior Clerks .. Group III.

Promotion from one grade to another was given to these clerks recruited in the initial grade were found efficient. No direct recruitment was prescribed to the above mentioned posts. Thus the cent percent posts in the higher grades used to be filled up by promotion of the clerks found efficient and no other conditions to qualify for promotion except the passing of departmental examination were prescribed.

5. Though I was recruited under the provisions of Bombay Civil Services recruitment Rules of 1930, when the Constitution of India was adopted, my conditions of services were not altered to my disadvantage and the members of the ministerial subordinate service continued to enjoy the same prospects in service even after the commencement of the Constitution of India as per Article 314 of the Constitution of India.

6. Now, I believe that under the provisions of Section 115 of the States Reorganisation Act of 1956, the conditions of service as referred to in para 4 cannot be altered to my disadvantage except with the prior approval of Central Government. The Central Government have already communicated their decisions in respect of service matters as contained in letter NO. 5/6/57-SR(S) dated 27th March 1957 of the Government of India which was published under Government S.O.No. SRDI-1 Apro 57 dated 11th May 1957. The enforcement of direct recruitment to the II grade Accountants is a new condition which acts to my disadvantage by delaying my promotion to the II grade Accountants and allowing the supercession by the direct recruits to all the next higher grades for which recruitment is by promotion.

Sir,

Ref:- Mysore Forest Department Services (Recruitment) Rules, 1957 published under Government Order No. GAD (OM) 15 GRR 57 dated 4th Feburary 1958.

In connection with direct recruitment to the grade of II Grade Accountants prescribed in Rule 2 of the said recruitment rules, I submit the following few lines for favour of immediate consideration of Government.

The said rule prescribed 66⅔% of the vacancies in the grade of II Grade Accountants to be filled up by direct recruitment and also prescribes minimum educational qualification as pass in Intermediate, Pre-university or an equivalent examination. Only 33⅓% of the vacancies are allowed to be filled up by promotion of clerks from the second Division. In this respect, I have to state humbly that such enforcement of direct recruitment in the higher grade alters my conditions of service, which are safeguarded by the provisions of Section 115 of *The States Reorganisation Act of 1956* as discussed in the following paragraphs.

3. I was recruited to the Bombay Subordinate Service under the Bombay Civil Services Classification and Recruitment Rules of 1939, in the year 1948 and absorbed in this Department in 1953. At the time of my entry in service, the conditions of service and prospects prescribed for the subordinate Ministerial Service were as under .—

(i) Subordinate Forest Service included ministerial Branch viz. Clerks. *Vide* Appendix "B" of the said Rules.

(ii) Minimum educational qualification prescribed for the subordinate ministerial service was matriculation. *Vide* Rule 141 in Appendix "D"

4. The following rules were prescribed for recruitment to the higher grades in ministerial service. *Vide Rule 49 of the Bombay Forest Manual Volume I.*

The ministerial branch included the following posts :

(i) Head Clerks...Group I.

(ii) Senior & Junior Accountants...Group II.

(iii) Senior & Junior Clerks...Group III.

Promotion from one grade to another was given to those clerks recruited in the initial grade who were found efficient. No direct recruitment was prescribed to the above mentioned posts. Though I was recruited under the provisions of Bombay Civil Services Recruitment Rules of 1939, when the Constitution of India was adopted, my conditions of Services were not altered to my disadvantage and the members of the ministerial subordinate service continued to enjoy the same prospects in service even after the commencement of the Constitution of India as per Article 314 of the Constitution of India.

6. Now, I believe that under the provisions of Section 115 of the States Reorganisation Act of 1956, the conditions of service as referred to in para 4 cannot be altered to my disadvantage except with the prior approval of Central Government. The Central Government have already communicated their decisions in respect of service matters as contained in letter No. 5/6/57 - SR (S) dated 27th March 1957 of the Government of India which was published under Government S. O. No. SRDI-1 April 57 dated 11th May 1957. The enforcement of direct recruitment to the II Grade Accountants is a new condition which acts to my disadvantage by delaying my promotion to the II Grade Accountants and allowing the supercession by the direct recruits to all the next higher grades for which recruitment is by promotion.

[P. T. O.]

7. As discussed in the preceeding paragraph, I humbly request the Government not to enforce the said direct recruitment till myself and similar members of my grade who have the same protection are promoted to the grade of second grade Accountants. Such grant of request will ensure fair and equitable treatment to all persons affected by the States Reorganisation Act, as required by Section 115 (5) (b) of the said Act. As per this sub-section, my representation may kindly be considered and I may be favoured with early reply before commencement of the said direct recruitment.

8. I humbly request further that favourable decison in the matter may kindly be communicated to me within a month's time. Otherwise I shall have no other alternative than to seek legal redress in the interest of protection of my legitimate pay and prospects in service.

Sir,

Ref:- Mysore Forest Department Services (Recruitment) Rules, 1957 published under Government Order No. GAD (OM) 15 GRR 57 dated 4th Feburary 1958.

In connection with direct recruitment to the grade of II Grade Accountants prescribed in Rule 2 of the said recruitment rules, I submit the following few lines for favour of immediate consideration of Government.

The said rule prescribes 66⅔% of the vacancies in the grade of II Grade Accountants to be filled up by direct recruitment and also prescribes minimum educational qualification as pass in Intermediate, Pre-university or an equivalent examination. Only 33⅓% of the vacancies are allowed to be filled up by promotion of clerks from the second Division. In this respect, I have to state humbly that such enforcement of direct recruitment in the higher grade alters my conditions of service, which are safeguarded by the provisions of Section 115 of *The States Reorganisation Act of 1956* as discussed in the following paragraphs.

3. I was recruited to the Bombay Subordinate Service under the Bombay Civil Services Classification and Recruitment Rules of 1939, in the year 1949 in this Department. At the time of my entry in service, the conditions of service and prospects prescribed for the subordinate Ministerial Service were as under :—

(i) Subordinate Forest Service included ministerial Branch viz. Clerks. *Vide* Appendix "B" of the said Rules.

(ii) Minimum educational qualification prescribed for the subordinate ministerial service was matriculation. *Vide* Rule 141 in Appendix "D"

4. The following rules were prescribed for recruitment to the higher grades in ministerial service. *Vide Rule 49 of the Bombay Forest Manual Volume I.*

The ministerial branch included the following posts :

(i) Head Clerks...Group I.

(ii) Senior & Junior Accountants...Group II.

(iii) Senior & Junior Clerks...Group III.

Promotion from one grade to another was given to those clerks recruited in the initial grade who were found efficient. No direct recruitment was prescribed to the above mentioned posts. Thus the cent percent posts in the higher grades used to be filled up by promotion of the clerks found efficient and no other conditions to qualify for promotion except the passing of departmental examination were prescribed

5. Though I was recruited under the provisions of Bombay Civil Services Recruitment Rules of 1939, when the Constitution of India was adopted, my conditions of Services were not altered to my disadvantage and the members of the ministerial subordinate service continued to enjoy the same prospects in service even after the commencement of the Constitution of India as per Article 314 of the Constitution of India.

6. 3. I was recruited to the Bombay Subordinate Service under the Bombay Civil Services Classification and Recruitment Rules of 1939, in the year 1951 in this Department. At the time of my entry in service, the conditions of service and prospects prescribed for the subordinate Ministerial Service were as under :—

(i) Subordinate Forest Service included ministerial Branch viz. Clerks. *Vide* Appendix "B" of the said Rules.

(ii) Minimum educational qualification prescribed for the subordinate ministerial service was matriculation. *Vide* Rule 141 in Appendix "D"

4. The following rules were prescribed for recruitment to the higher grades in ministerial service. *Vide Rule 49 of the Bombay Forest Manual Volume I.*

The ministerial branch included the following posts :

(i) Head Clerks...Group I.

(ii) Senior & Junior Accountants...Group II.

(iii) Senior & Junior Clerks...Group III.

Promotion from one grade to another was given to those clerks recruited in the initial grade who were found efficient. No direct recruitment was prescribed to the above mentioned posts. Thus the cent percent posts in the higher grades used to be filled up by promotion of the clerks found efficient and no other conditions to qualify for pormotion except the passing of departmental examination were prescribed

5. Though I was recruited under the provisions of Bombay Civil Services Recruitment Rules of 1939, when the Constitution of India was adopted, my conditions of Services were not altered to my disadvantage and the members of the ministerial subordinate service continued to enjoy the same prospects in service even after the commencement of the Constitution of India as per Article 314 of the Constitution of India.

6. Now, I believe that under the provisions of Section 115 of the States Reorganisation Act of 1956, the conditions of service as referred to in para 4 cannot be altered to my disadvantage except with the prior approval of Central Government. The Central Government have already communicated their decisions in respect of service matters as contained in letter No. 5/6/57 - SR (S) dated 27th March 1957 of the Government of India which was published under Government S. O. No. SRDI-1 April 57 dated 11th May 1957. The enforcement of direct recruitment to the II Grade Accountants is a new condition which acts to my disadvantage by delaying my promotion to the II Grade Accountants and allowing the supercession by the direct recruits to all the next higher grades for which recruitment is by promotion.

72

7. As discussed in the preceeding paragraph, I humbly request the Government not to enforce the said direct recruitment till myself and similar members of my grade who have the same protection are promoted to the grade of second grade Accountants. Such grant of request will ensure fair and equitable treatment to all persons affected by the States Reorganisation Act, as required by Section 115 (5) (b) of the said Act. As per this sub-section, my representation may kindly be considered and I may be favoured with early reply before commencement of the said direct recruitment.

8. I humbly request further that favourable decison in the matter may kindly be communicated to me within a month's time. Otherwise I shall have no other alternative than to seek legal redress in the interest of protection of my legitimate pay and prospects in service.

Ref.:- Mysore Forest Department Services (Recruitment) Rules, 1957 published under Government Order No. GAD (OM) 15 GRR 57 dated 4th Feburary 1958.

In connection with direct recruitment to the grade of II Grade Accountants prescribed in Rule 2 of the said recruitment rules, I submit the following few lines for favour of immediate consideration of Government.

The said rule prescribed 66⅔% of the vacancies in the grade of II Grade Accountants to be filled up by direct recruitment and also prescribes minimum educational qualification as pass in Intermediate, Pre-university or an equivalent examination. Only 33⅓% of the vacancies are allowed to be filled up by promotion of clerks from the second Division. In this respect, I have to state humbly that such enforcement of direct recruitment in the higher grade alters my conditions of service, which are safeguarded by the provisions of Section 115 of *The States Reorganisation Act of 1956* as discussed in the following paragraphs.

3. I was recruited to the Bombay Subordinate Service under the Bombay Civil Services Classification and Recruitment Rules of 1939, in the year 1948 in this Department. At the time of my entry in service, the conditions of service and prospects prescribed for the subordinate Ministerial Service were as under :—

(i) Subordinate Forest Service included ministerial Branch viz. Clerks. *Vide* Appendix "B" of the said Rules.

(ii) Minimum educational qualification prescribed for the subordinate ministerial service was matriculation. *Vide* Rule 141 in Appendix "D"

4. The following rules were prescribed for recruitment to the higher grades in ministerial service. *Vide Rule 49 of the Bombay Forest Manual Volume I.*

The ministerial branch included the following posts :

(i) Head Clerks...Group I.

(ii) Senior & Junior Accountants...Group II.

(iii) Senior & Junior Clerks...Group III.

The said rule prescribed 66⅔% of the vacancies in the grade of II Grade Accountants to be filled up by direct recruitment and also prescribes minimum educational qualification as pass in Intermediate, Pre-university or an equivalent examination. Only 33⅓% of the vacancies are allowed to be filled up by promotion of clerks from the second Division. In this respect, I have to state humbly that such enforcement of direct recruitment in the higher grade alters my conditions of service, which are safeguarded by the provisions of Section 115 of *The States Reorganisation Act of 1956* as discussed in the following paragraphs.

3. I was recruited to the Bombay Subordinate Service under the Bombay Civil Services Classification and Recruitment Rules of 1939, in the year 1948 in Rev. Dept & subsequently in 1954 in this Department. At the time of my entry in service, the conditions of service and prospects prescribed for the subordinate Ministerial Service were as under :—

(i) Subordinate Forest Service included ministerial Branch viz. Clerks. *Vide* Appendix "B" of the said Rules.

(ii) Minimum educational qualification prescribed for the subordinate ministerial service was matriculation. *Vide* Rule 141 in Appendix "D"

4. The following rules were prescribed for recruitment to the higher grades in ministerial service. *Vide Rule 49 of the Bombay Forest Manual Volume I.*

The ministerial branch included the following posts :

(i) Head Clerks...Group I.

(ii) Senior & Junior Accountants...Group II.

(iii) Senior & Junior Clerks...Group III.

Promotion from one grade to another was given to those clerks recruited in the initial grade who were found efficient. No direct recruitment was prescribed to the above mentioned posts. Thus the cent percent posts in the higher grades used to be filled up by promotion of the clerks found efficient and no other conditions to qualify for pormotion except the passing of departmental examination were prescribed

5. Though I was recruited under the provisions of Bombay Civil Services Recruitment Rules of 1939, when the Constitution of India was adopted, my conditions of Services were not altered to my disadvantage and the members of the ministerial subordinate service continued to enjoy the same prospects in service even after the commencement of the Constitution of India as per Article 314 of the Constitution of India.

6. Now, I believe that under the provisions of Section 115 of the States Reorganisation Act of 1956, the conditions of service as referred to in para 4 cannot be altered to my disadvantage except with the prior approval of Central Government. The Central Government have already communicated their decisions in respect of service matters as contained in letter No. 5/6/57 - SR (S) dated 27th March 1957 of the Government of India which was published under Government S. O. No. SRDI-1 April 57 dated 11th May 1957. The enforcement of direct recruitment to the II Grade Accountants is a new condition which acts to my disadvantage by delaying my promotion to the II Grade Accountants and allowing the supercession by the direct recruits to all the next higher grades for which recruitment is by promotion.

[P. T. O.]

7. As discussed in the preceeding paragraph, I humbly request the Government not to enforce the said direct recruitment till myself and similar members of my grade who have the same protection are promoted to the grade of second grade Accountants. Such grant of request will ensure fair and equitable treatment to all persons affected by the States Reorganisation Act, as required by Section 115 (5) (b) of the said Act. As per this sub-section, my representation may kindly be considered and I may be favoured with early reply before commencement of the said direct recruitment.

8. I humbly request further that favourable decison in the matter may kindly be communicated to me within a month's time. Otherwise I shall have no other alternative than to seek legal redress in the interest of protection of my legitimate pay and prospects in service.

Sir,

Sub:- Representation of Clerks working in Belgaum Circle in regard to filling up of the posts of 2nd Grade Accountants

Ref:- Your letter No. AFD-44-ENT-58 dated 8-10-58.

I have to state that according to the Mysore Forest Department Services (Recruitment) Rules, 1958, vide Government Notification No. FAD(OM)-15-GRR-57 dated 4-2-1958, the method of recruitment to the posts of 2nd Grade Accountants is as follows:-

(i) 66 2/3 % of the vacancies to be filled up by Direct Recruitment of candidates who have passed Intermediate, Pre-University or the equivalent examination.

(ii) 33 2/3 % by promotion from the cadre of 2nd Division Clerks on the basis of seniority-cum-merit.

2. The clerks of Bombay State allotted to New Mysore State have represented individually and collectively through their Association against the provision of Direct Recruitment to the cadre of 2nd Grade Accounts. They have invoked the protection of the States Re-organisation Act - Section 115 - Sub-Section 7, which guarantees that conditions of service shall not be altered to the disadvantage of allotees by the successor State without the prior approval of the Central Government.

3. In this connection, it may be observed that in the Old Bombay State, recruitment to the ministerial service was restricted only to the lowest cadre of clerks and all further promotions were made on the basis of seniority-cum-merit of such persons who have passed departmental examinations. There were clear prospects for clerks of ability to rise even to the post of Personal Assistant to the Chief Conservator of Forests which is a gazetted post in the Bombay State. The contention of the clerks is that all these prospects are entirely marred by the provision of Direct Recruitment to the II Grade Accountants cadre. There is considerable truth in their contention and it is proper that the rules are amended cancelling this provision. In case Government is not willing to consider their request, the clerks request permission to seek legal redress in the court of law. Since protection given in respect of service conditions in the States Re-organisation Act is unambiguous, it is better to avoid embarassment to Government in the court if their issue were to be referred to it.

4. Apart from the legal issues involved, the administratively, it appears ~~wrong~~ unsuitable to make such direct appointments to

P.T.O.

to key posts of Accountants by recruiting raw and inexperienced boys with only the qualification of Intermediate, or pre-university examination, notwithstanding the deplorably low educational standards now prevailing in the universities. It takes about 10-15 years for an average clerk to become an Accountant in which capacity, he handles important compilations including cash account and timber account. A direct recruit with no better educational qualifications and without experience cannot manage such compilations. If there is direct recruitment on the scale prescribed, there is bound to be complete dislocation of work on one hand and very great discontentment on the other in the ranks of clerks with the result that the efficiency and the morale of the ministerial service as a whole will receive a great set back, when a toning-up of the administration in the new Mysore State is of utmost importance.

5. The old practice in Bombay State of ordering all promotions in the ministerial cadres on seniority-cum-merit basis, had given very good results in that, ~~the~~ clerks risen to the gazetted posts, wrote up Forest Manuals and other documents which contributed largely to the sound forest administration in that State.

6. The Conservator of Forests, Belgaum Circle and the Divisional Forest Officer, Dharwar have strongly urged this office to move Government to modify recruitment rules.

7. I have therefore to request you to move Government to amend the rules of recruitment withdrawing direct recruitment to the Accountants' grade for the aforesaid reasons.

8. The applications received are retransmitted herewith.

Yours faithfully,

(K. KADAMBI),
Chief Conservator of Forests.

Sir,

Ref:- Mysore Forest Department Services (Recruitment) Rules, 1957 published under Government Order No. GAD (OM) 15 GRR 57 dated 4th Feburary 1958.

In connection with direct recruitment to the grade of II Grade Accountants prescribed in Rule 2 of the said recruitment rules, I submit the following few lines for favour of immediate consideration of Government.

The said rule prescribed 66⅔% of the vacancies in the grade of II Grade Accountants to be filled up by direct recruitment and also prescribes minimum educational qualification as pass in Intermediate, Pre-university or an equivalent examination. To,

The Secretary,
Agriculture & Forests Department,
Government of Mysore,
BANGALORE

Humble Application of Shri H. S. Naik
Clerk, Office of the Deputy Conservator of Forests,
Dharwar *Division*

Sir,

Ref:- Mysore Forest Department Services (Recruitment) Rules, 1957 published under Government Order No. GAD (OM) 15 GRR 57 dated 4th Feburary 1958.

In connection with direct recruitment to the grade of II Grade Accountants prescribed in Rule 2 of the said recruitment rules, I submit the following few lines for favour of immediate consideration of Government.

The said rule prescribed 66⅔% of the vacancies in the grade of II Grade Accountants to be filled up by direct recruitment and also prescribes minimum educational qualification as pass in Intermediate, Pre-university or an equivalent examination. Only 33⅓% of the vacancies are allowed to be filled up by promotion of clerks from the second Division. In this respect, I have to state humbly that such enforcement of direct recruitment in the higher grade alters my conditions of service, which are safeguarded by the provisions of Section 115 of *The States Reorganisation Act of 1956* as discussed in the following paragraphs.

3. I was recruited to the Bombay Subordinate Service under the Bombay Civil Services Classification and Recruitment Rules of 1939, in the year 1953 in this Department. At the time of my entry in service, the conditions of service and prospects prescribed for the subordinate Ministerial Service were as under .—

(i) Subordinate Forest Service included ministerial Branch viz. Clerks. *Vide* Appendix "B" of the said Rules.

(ii) Minimum educational qualification prescribed for the subordinate ministerial service was matriculation. *Vide* Rule 141 in Appendix "D"

4. The following rules were prescribed for recruitment to the higher grades in ministerial service. *Vide Rule 49 of the Bombay Forest Manual Volume I.*

The ministerial branch included the following posts :

(i) Head Clerks...Group I.

(ii) Senior & Junior Accountants...Group II.

(iii) Senior & Junior Clerks...Group III.

Promotion from one grade to another was given to those clerks recruited in the initial grade who were found efficient. No direct recruitment was prescribed to the above mentioned posts. Thus the cent percent posts in the higher grades used to be filled up by promotion of the clerks found efficient and no other conditions to qualify for pormotion except the passing of departmental examination were prescribed

5. Though I was recruited under the provisions of Bombay Civil Services Recruitment Rules of 1939, when the Constitution of India was adopted, my conditions of Services were not altered to my disadvantage and the members of the ministerial subordinate service continued to enjoy the same prospects in service even after the commencement of the Constitution of India as per Article 314 of the Constitution of India.

6. Now, I believe that under the provisions of Section 115 of the States Reorganisation Act of 1956, the conditions of service as referred to in para 4 cannot be altered to my disadvantage except with the prior approval of Central Government. The Central Government have already communicated their decisions in respect of service matters as contained in letter No. 5/6/57 - SR (S) dated 27th March 1957 of the Government of India which was published under Government S. O. No. SRDI-1 April 57 dated 11th May 1957. The enforcement of direct recruitment to the II Grade Accountants is a new condition which acts to my disadvantage by delaying my promotion to the II Grade Accountants and allowing the supercession by the direct recruits to all the next higher grades for which recruitment is by promotion.

[P. T. O.]

7. As discussed in the preceeding paragraph, I humbly request the Government not to enforce the said direct recruitment till myself and similar members of my grade who have the same protection are promoted to the grade of second grade Accountants. Such grant of request will ensure fair and equitable treatment to all persons affected by the States Reorganisation Act, as required by Section 115 (5) (b) of the said Act. As per this sub-section, my representation may kindly be considered and I may be favoured with early reply before commencement of the said direct recruitment.

8. I humbly request further that favourable decison in the matter may kindly be communicated to me within a month's time. Otherwise I shall have no other alternative than to seek legal redress in the interest of protection of my legitimate pay and prospects in service.

Date 15th September, 1958.

Yours faithfully,

H.S. Naik, Clerk.

Sir,

Subject:- Amendment to the Mysore Forest Department Services (Recruitment) Rules 1958.

As per the cadre and Recruitment Rules published under Government Notification No.GAD (OM) 15 SRR 57, dated the 4th February 1958, the method of recruitment to the posts of "Accountants, II Grade" is as follows

(i) 66⅔% of the vacancies to be filled by direct recruitment of persons who have passed Intermediate, Pre-university or the equivalent examination and
(ii) 33⅓ per cent by promotion from the cadre of II Division Clerks on the basis of seniority-cum-merit.

The clerks allotted under States Reorganisation Act from erstwhile Bombay State to Mysore State have represented individually and collectively through their Association against the provision of direct recruitment to the cadre of II Grade Accountants, on the ground that this method of recruitment affects their conditions of services adversely and is therefore, against the provisions of Section 115 of the States Reorganisation Act 1956 In the erstwhile Bombay State direct recruitment to the ministerial service was restricted only to the lower cadre of clerks and all further promotions were made on the basis of seniority-cum-merit of such persons who have passed departmental examinations.

The Chief Conservator of Forests who has been consulted in the matter states that there is considerable truth in the contention. Administratively also it appears unsuitable to make direct recruitments to key posts of Accountants by recruiting raw and inexperienced hands with only the qualification of Intermediate or Pre-University Examination, notwithstanding the low educational standards now prevailing in the Universities. It takes about 10-15 years for an average clerks to become an Accountant (II grade) in which capacity he has to handle important compilation including cash account and Timber Account. A direct recruit with no better qualifications and without experience cannot manage such compilations of work on one hand and discontentment on the other hand in the ranks of the clerks in service will affect the efficiency and morale of the ministerial service as a whole. The Chief Conservator of Forests for the reasons mentioned above proposes that the cadre and recruitment Rules may be amended with drawing the provision of direct recruitment to the posts of Accountants II grade. Government after fully examining the case has come to a conclusion that there is much force in what the Chief Conservator of Forests has stated and if the morale of the ministerial service as a whole is required to be maintained and the Administration is required to be tone up amendment to the cadre and recruitment rules of the Forest Department is necessary.

Government.....

Government therefore, proposes to issue amendment to the cadre and recruitment rules of the Forest Department so as to make allowance to fill up 50% of the posts of Accountants II grade by promotion from the cadre of II Division Clerks on the basis of seniority-cum-merit. I am therefore, directed to request you to move the Commission to approve the proposed amendment to the cadre and recruitment rules.
